**Council District:** 3

**SNI:** N/A

**SUBJECT: AWARD OF CONTRACT FOR WIRELESS INTERNET SYSTEMS  
(WIFI) EXPANSION FOR THE DOWNTOWN CORE AREA.**

### REASON FOR SUPPLEMENTAL MEMORANDUM

To correct one error reported on the subject memorandum and to provide a detailed map outlining the WiFi coverage area in the downtown core central business and cultural district.

### ANALYSIS

In the Summary section of the original memorandum, staff incorrectly reported that MetroFi had installed a no cost WiFi system in the Cities of Portland (OR) and Foster City (CA). Instead, MetroFi was able to secure contract awards for installing no cost WiFi systems at these cities.

Additionally, the attached map identifies the exact coverage areas for the proposed downtown WiFi system.

### COORDINATION

This memorandum has been coordinated with the department of Information Technology.
